

McKinney-Vento Homeless Education Assistance Improvements Act of 2001

What is the McKinney-Vento Act?

42 USC § 11431 - Statement of Policy

The following is the policy of Congress:

1. Each State educational agency shall ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youths.
2. In any State that has a compulsory residency requirement as a component of the State's compulsory school attendance laws or other laws, regulations, practices, or policies that may act as a barrier to the enrollment, attendance, or success in school of homeless children and youths, the State will review and undertake steps to revise such laws, regulations, practices, or policies to ensure that homeless children and youths are afforded the same free, appropriate public education as provided to other children and youths.
3. Homelessness alone is not sufficient reason to separate students from the mainstream school environment.
4. Homeless children and youths should have access to the education and other services that such children and youths need to ensure that such children and youths have an opportunity to meet the same challenging State student academic achievement standards to which all students are held.

- Remain in the school of origin for the duration of the homelessness or until the end of the school year in which the student becomes permanently housed

- Receive educational services, such as free school meals, Title I services; and participate in gifted and talented programs, vocational education, alternative education, and any other services comparable to what housed students receive

In addition to the provisions that apply to all homeless students, the McKinney-Vento Act includes the following provisions specifically for unaccompanied homeless youth:

- Unaccompanied homeless youth shall be immediately enrolled without proof of guardianship.
- During a dispute over school selection or enrollment, unaccompanied homeless youth shall receive a written statement explaining the school's decision, the youth's right to appeal the decision, and a referral to the local liaison.

Local Liaisons shall assist unaccompanied homeless youth in:

- Selecting a school of attendance and enrolling in school.
- Requesting transportation to and from the school of origin.

- Enrolling in school immediately while disputes are resolved.
